Dear Dr Appasamy

On behalf of Rural Health West, please accept our thanks for your many years of service to rural medicine in Western Australia.

Our records indicate that you have completed 12 years of service as of 1st January 2019. Please do not hesitate to advise us otherwise if this information is not up-to-date, so that we can correctly recognise your years of service.

With the shortage of doctors and other health professionals across rural Australia, we owe a debt of thanks to doctors such as yourself, who on a daily basis make a difference to the lives of people living in rural and remote Western Australia communities.

Please don't hesitate to contact the staff at Rural Health West if there is any way we can assist you or provide support to your practice.

Yours sincerely
